Ms. Adrian

April 22, 2024

Happy Earth Day! A huge thanks to all the HAWK families who came out on 4/20 to spruce up our campus.

House shirts are to be worn on Thursdays. If they can't wear their shirt, they can still wear their house colors to show their house spirit. The goal is for these shirts to last through 5th grade so they may be a bit large this year.

P.E.: Continuing this Monday morning (tomorrow) the second graders will have P.E. with the YAC coaches. Please make sure the students are wearing appropriate P.E. shoes on Mondays. We will continue to have P.E. on Wednesdays as well.

Field Trip: Our class will be going to the Ventura Agricultural Museum in Santa Paula on Tuesday, April 30th. We will be eating lunch at the museum so the students will need to bring a sack lunch to school that day. *Please email me if you need a lunch from school by this Friday, April 26th, so the lunch supervisor knows in advance.* A permission slip is coming home today to be returned by Wednesday.

😊 2nd & 3rd grade enrichment opportunities 😊

TL Cheer permission slips came home last week. Cheer club with Mrs. Gibbons is offered for grades 2 and 3 after school from 2:00-3:15 every Friday. The club will also cheer at the Rotary Track Meet on 5/18.

Garden Club with Ms. Adrian and Life Lab every Thursday 12pm in the Life Lab

Planting seeds of knowledge, responsibility, and conservation

Growing appreciation for our environment and habitats **Cultivating** creativity and community

Homework:

Information Writing Assignment: The students are beginning to write information reports (expert books). We asked the students to bring in research materials to help with their topic. A baggie came home last week and is due into class today. We will be kicking off our Table of Contents today!

Language Arts- Continue reading for at least 15-20 minutes, 4 times a week. Please list the books read on the April reading log. **Please help your child to remember to return the Home Reading books on Tuesdays and Thursdays so that our volunteers can check out new books for him/her.**

Math - **This week we are beginning Module 6 - Multiplication and Division Foundations.** **The students will bring their new Apply (Homework) workbook on Monday.** Please keep your Module 5 homework book in a very safe spot. We will continue with the Module 5 homework towards the end of the school year.

- Monday - Module 6, Lesson 1 Homework pages 7-8
- Tuesday – Module 6, Lesson 2 Homework page 11
- Wednesday – Module 6, Lesson 3 Homework pages 15-16
- Thursday - Module 6, Lesson 4 Homework page 19

Have a good week! 😊
